RABBI'S MESSAGE

Elections, COVID, masks, lockdowns, vaccinations and more. There is a lot going on in the world around us.

There are the good days and the not such good days. Many are finding it hard to find the joyous moments.

We had a COVID Thanksgiving, and now we get to have a COVID Chanukah! Thanksgiving happenend. Chanukah will too!

Chanukah has many meanings (and many ways to spell it!). The Lubavitcher Rebbe pointed out many times that Chanukah is related to the word Chinuch "education." The Greeks issued decrees against Jewish education and forbade many of our traditions (including circumcision, the mitzvah that begins a Jewish boy's education). On Chanukah, we celebrate our freedom to provide our children with a proper Jewish education.

Many have been pointing out the silver linings of COVID. School buildings may be closed and classes are virtual, but that also can mean more family time. More time to grow together.

They say most of our education comes from the home. Let us utilize this year's Chanukah experience by focusing on our Jewish education, our Jewish growth and our Jewish traditions. Not just for ourselves. Not just for our kids or grandkids. Let us work to grow as a family unit!

Interestingly, the Jewish nation is not referred to in the Torah as Jews but rather as Bnei Yisroel - The children of Israel. We are a family. Now is the most opportune time to use our family strengths to move past these challenging times.

Rabbi Moshe Sasonkin

DEDICATED IN LOVING MEMORY OF

Rabbi Mendy Sasonkin OBM

Rabbi Mendy will be remembered for his kindness and his unconditional love for everyone he met.

May his memory be a blessing to us all!
